

APPLICATION TO INSTRUCT

TRIANGLE Z CLUB / TARHEEL SCC HIGH PERFORMANCE DRIVING SCHOOL

Name: _____ **Date:** _____

E-mail: _____ **Fax:** _____

Phone: _____ (AM) _____ (PM)

Address: _____

Thank you for your interest in instructing with the [Triangle Z Club / Tarheel Sports Car Club HPDE and Time Trial](#) events. Your application will be reviewed and you will be notified via email or phone with regard to the next step provided you meet the following requirements.

We highly recommend if you have not attended a TZC/THSCC event before, you do so as a student (or solo attendee) to get a feel for how our events are run. Instructor candidates are expected to have completed in excess of 25 HPDE type events (40-50 days usually), with in-car instruction (non-solo, non-lapping day/open format events) and a minimum of 4 years overall experience. Candidates are expected to have experience across a diverse range of organizations, venues, and vehicles. At least two references from past instructors and/or current chief instructors are mandatory.

All instructor applicants require formal evaluation and sign-off before being placed on our instructor roster. Most candidates and new instructors will be asked to attend our annual instructor clinic. Others may be asked to participate in a "mini-clinic" at an earlier event at the club's discretion.

The goal of TZC/THSCC events is to provide quality instruction for ALL levels of drivers. This includes in-car as well as in-class instruction. We take great pride in being very beginner-friendly, but also in having instructors that can help even the most advanced drivers improve. We want our events to promote GOOD, safe driving; not just fast, competent driving. We strive to provide one of the safest on-track environments in the sport. Our instructors are a major part of that equation and we expect them to perform to the highest standards. We expect our instructors to uphold our safety standards, and bring to our attention anything that might compromise that. We utilize feedback forms for students (instructors fill out one for each student) and for instructors (students fill out one for in-car, in-class, and event feedback). These forms are very important to us and we read each and every one (we also will input the relevant feedback into MotorsportReg.com and make it available to other event organizers and the feedback subject.)

Please mail, or email your completed following pages to:

Raleigh, NC 27609

What have you done to prepare for the role of instructor?

What reference sources or books have you read? Favorites?

What did you like most about your favorite instructors?

What did you like least about any of your instructors?

Please list any additional experience or qualifications you have that you consider relevant to instructing with Triangle Z Club / Tarheel Sports Car Club...

All TZC/THSCC (and Asphalt Ventures) event registrations are handled through www.MotorsportReg.com, please make sure you have an account set up, and **Triangle Z – Tarheel SCC** is added to your club list (it will notify us that you’ve added us to the list.) Make sure your current vehicle info is up to date, and that you’ve added your prior event history.

Thank you for your time and cooperation!
