HPDE and Time Trial Annual Tech Centers

Bring your completed inspection form from one of these shops to your first THSCC event and we will issue you our annual inspection sticker, valid for all THSCC events (REZOOM Motorsports also honors the THSCC annual inspection). We also honor **current** log books from SCCA, NASA, BMWCCA, and PCA. For inspections from other shops, we will issue a single-event sticker. Inspection costs from these shops generally run from 1/2 to a one hour labor charge, depending upon the vehicle.
